DEMOLITION OF BUS SHELTER ON PRIORSLEE ROAD

In view of the anti-social behaviour relating to a bus shelter on Priorslee Road and the inconvenience this caused to local residents, at its meeting on 18th October 2022, the Parish Council accepted the recommendation from the Safer, Stronger Communities Team at Telford and Wrekin Council that the bus shelter is demolished. The site will continue to operate as a bus stop. Further information on the date that the works will commence will be published on the Council's website.
